Printed in U.S.A.

## Mission Statement

**The National Coalition for Aviation and Aerospace Education (NCAE) represents government, industry, labor and professional associations united to promote aviation and space education activities and resources, increase public understanding of the importance of aviation and aerospace, and support education initiatives at the local, state and national levels.**

## NCAE Membership List

- |                                                                                                                    |                                                                                                                                  |
